Scholarship Winner, Jaelyn Millon

Jaelyn Millon is the daughter of Steven and Doreen Millon, and one of five daughters. The family moved to Jennings County just over four years ago and Jaelyn, the middle child, has from all accounts flourished at her new school. She is a member of the JCHS girls varsity swim team and recently was invited to participate in this year's Senior State Champion event. She plays the trumpet in the JCHS marching and jazz bands, and is a member of the National Honor Society. Coach Bill Dillon knows this student well, having coached her on the swim team all four years. "Jaelyn is extremely hard working, well mannered, intelligent, and a very mature person," Dillon said. Jaelyn has decided to attend Hanover College with a focus in the Medical field. When asked about receiving the Lilly Endowment Community Scholarship, she replied, "I am honored

Stanley W. Snider Scholarship

When Stan Snider established his scholarship program in 2008, he had the intentions to both encourage young people to pursue higher education and to encourage others to support scholarship initiatives. We at JCCF believe he would be ecstatic to see the young people he has encouraged and assisted this year through his Snider Scholarship program. With two returning scholars and six new scholars another \$50,000 (total) was given out to help these young scholars pursue their goals.

Anna Guillion, a returning scholar, stated how she felt to be selected again, "I would like to say that it is such a great honor to have received the Snider Scholarship for a second year. The generosity of the scholarship committee has helped me so much in my pursuit of a music education degree at the University of Louisville." She also stated, "I want to be able to give back to my community as a music educator and this scholarship helps me so much in that endeavor. Giving back is a huge part of what Stanley W. Snider stood for, and I am so excited to be able to carry on his legacy as a Snider Scholar" Cole Byram, a new scholar said, "I'm really grateful to have the Snider name be a part

Class of 2015 sets Example for Future Graduates...

Jennings County High School graduating classes usually end up with some extra money in their account as they're taking off to pursue their future goals. Some classes choose to buy a new rug, some choose to buy a new bench for the hallways, but the most recent graduating class blazed a new trail. The Class of 2015 has started what they hope to be a new tradition for future graduating classes; The Class of 2015 Scholarship. They have used their class's money to start a scholarship fund at the Jennings County Community Foundation for future graduating seniors. This not only helps future graduates, but may in-

Introducing: New Board Member, Judith Smith

It is our honor to welcome Judith Smith onto our Board of Directors. Judith grew up on a farm in Lovett Township and was a member of the last graduating class of Paris Crossing.
