# What is The Incredible Years®?

The Incredible Years® is a series of **FREE** parenting programs, available to anyone caring for a child between the ages of 0-6 years of age. Parents, grandparents, aunts, uncles, foster parents, etc... All are welcome!

This program will help build your parenting toolbox with knowledge of essential skills to raise children who are socially, emotionally and academically competent.

This is not a parenting class that tells you how to raise your child. It is a time to learn and share parenting tips and tricks to help build a strong family.
