

Dear Jennings County Community Foundation,

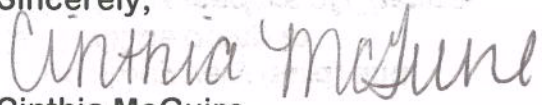

As I begin this final week of preparation before entering Butler University as a freshman, I am still overwhelmed at the opportunity which lies in front of me. To be able to attend this University, recently named "One of the Best in the Midwest", and to be able to represent Jennings County, is truly an honor that I will not take lightly.

My mother always says "actions speak louder than words", so I clearly believe that just saying thank you does not express my appreciation for receiving such a wonderful scholarship. This scholarship is a magnificent opportunity and I am so happy to be the recipient for 2010. Not only am I happy that my college expenses have decreased to a minimum compared to the original cost, but I also get the opportunity to attend a top rated school. Butler University has been my dream for my whole high school career and I am absolutely thrilled to attend there this fall.

I plan to get involved at Butler and to work, study very hard, and take advantage of every opportunity available. I will be going to Indianapolis a week early to participate in (AOC) *Ambassadors of Change*, which is a week long program of leadership and service projects. And I will be volunteering in the (BITS) program, *Bulldogs in the Streets*, which is another service program in the streets of Indianapolis. Last night I returned from attending the Universal Cheerleading Association (UCA) Camp in Milwaukee, Wisconsin with the Butler Cheerleaders. It was an amazing week spent with Cheerleaders from major universities from all over the nation. It was an opportunity I would not have realized without the foundation.

I know that that my community, family and friends have faith in me with this scholarship. I am determined to do well in school these next four years. I hope to make you all very proud of me by graduating from Butler University with a Biology and Spanish major and to proceed on to Dental School. I want to thank you so much for giving me this opportunity. It is a miraculous gift and I'm very grateful.

Sincerely,

Cinthia McGuire
