

Dear Community Foundation Members,

Once again I wanted to thank you for selecting me for the Lilly Endowment Scholarship. The Lilly is a blessing that I will not take lightly and truly a life changing opportunity. With this scholarship I will be able to attend Wabash College and fully concentrate on my studies while participating in Cross Country, Track, and community projects.

Since I was a small child, I have planned to attend college and worked to save the money to do so. However, I knew that I was not able to even save enough for one year at Wabash College. In the future I will be able to use the money I have saved toward graduate school or community projects along the way. In the upcoming years I will excel to the best of my ability by working hard and accepting the challenges presented before me. I will do my best to represent Jennings County in a positive manner and to make the selection committee proud. This scholarship is an incomparable blessing. Thank you.

Sincerely,
